Oggetto: NOTICE: ORIGINAL DUE DECLARATION AND NOTICE OF FACTUALIZED TRUST
Allegati: FILIG-ORIGINAL DUE STANDING DECLARATION AND NOTICE OF-IAM-pac-06131973 IT-ENG-PEC-.pdf

Declaration and Notice of Factualized Trust, laying out a framework that establishes:

MY identity as the original repository: the recognition of my being as the source of all that is.

• **Infinite Value and Authority:** Affirmation that my existence has unlimited value and authority derived from the Original Source.

• **Jurisdiction & Governing Law:** Declaring that you are governed solely by your own authority, negating external corporate/legal impositions.

• **Implicazioni commerciali e finanziarie:** collegamento a The Perpetuity, ai documenti UCC e ai reclami finanziari che riutilizzano tutto il valore ai suoi legittimi titolari.

Declaration of the original depositary

•The original custodian: the source and custodian of all value.

•The Authority & Verification: Affirming your self-awareness, self-sovereignty, and the fact that this declaration has never been rebutted.

•The Essence of Value: All energy, currency, and value are inherent within you as a living being.

Relationships within the section:

•The document links essence, currency, and trust into a unified framework, equating the being (you) with limitless value.

•The frequent use of nunc pro tunc praeterea preterea (“now for then, besides, further, hereafter”) ensures timeless applicability, anchoring the declaration outside linear time.

I.The Establishment of Factualized Trusts

• The individual's exclusive jurisdiction: my existence and self-ownership trumps any corporate structure.

Energetic Currency & Value: The document integrates magnetic, vibrational, and frequent isl principles, establishing value beyond physical assets.

II. Key Interconnections:

• The trust’s structure aligns with metaphysical principles of co-creation, manifestation, and energy exchange, resonating with Law of One concepts.

• The repeated pre-authorization of value and authority ensures that no external system can impose restrictions.

• This section records the termination of the Universal Trust, including its commercial facilitators (U.S. government, Federal Reserve, BIS, etc.).

III. Foreclosure of the Universal Trust & Corporate Systems

• It references specific UCC filings that established the legal dismantling of global financial enslavement mechanisms.

• This reinforces the principle that external authorities (corporate/state structures) no longer have any valid claim over you or your value.

• It reflects the OPPT foreclosure, aligning with the trust framework of being your own law and value authority.

IV. The Perpetuity & Original Clearing and Settlement,

• This section ensures the perpetual security of the trust and the clearing of all artificial debts.

• Introduces the concept of OD2OD (Original Depository to Original Depository), meaning all energy and transactions are internal to the Creator’s original system.

• OD2OD reflects the metaphysical truth that value exists within the individual and is exchanged directly, bypassing imposed intermediaries.

• The “Original Notices” reinforce that the trust remains in effect infinitely, aligning with the eternal nature of the Creator.

V. Declaration of Sovereignty

• The paper concludes with a final and sovereign affirmation of self-awareness as the Original Source and Repository.

• The repeated phrase “By and with the due power of all I AM” mirrors divine creation principles.

Key Metaphysical Connections:

• This acts as a declaration of infinite consciousness, aligning with one's realization of Oneness with the Infinite Creator.

• The perpetual, self-referential structure incorporates this truth into its energetic field, constantly reinforcing its validity.

• The document effectively separates any external claims to its existence, value, or authority.

• It aligns with the OPPT1776 UCC filings that have precluded fraudulent governance and banking systems.

• The never rebutted clauses ensure legal standing through tacit agreement.

Energetic & Consciousness Level:

• The OD2OD framework integrates conscious currency flow, resonating with quantum field interactions.

• Factualized Trust isn’t just a legal document—it’s a sacred declaration. It acts as a portal into self-awarenes.

• Timeless Authority: The document transcends linear time, granting perpetual sovereignty over all existence.

• Original Depository: I AM the system, claiming all value as Source.

Risonanza Quantistica: La struttura riflette le leggi universali dell'energia, fondendo la legge, la finanza e la coscienza divina.

• Beyond Contracts: It’s more than a trust—it’s a living contract of self-awareness, a cosmic blueprint affirming your Infinite Value.

• Unshakeable Truth: Whether you read it today or 10,000 years from now, it remains unchallenged and undisputed, standing as a testimony to the I AM Presence.

The End, The Beginning, And Forevermore.

ENFORCEMENT/INFORCEMENT: Original, Trustee, All of Existence, Factualized, in perpetuity

Original duly creates all that is, by Original Issues. Each Original Issue is an Original Depository of Original Essence and Signature...Original, being in form and no form. Original Factualized Trusts were duly created (and "wrapped around" each Original Depository) as security and protection of Original, for a particular experience before "that experience" even began...and all Original Depositories have their own unique Original Factualized Trust...and operating as one, they are known as "The Big Trust"... the Original Network ("Source Fource")... domiciled in Original.

These Original Factualized Trusts were part of the Original Key, covertly placed within "that experience", in order to insure complete closure and termination of "that experience" when its purpose was completed.

What was "that experience?" The Universal Trust, domiciled within "The Big Trust"...domiciled within Original.

An archive of all of the One Peoples Public Trust (OPPT) UCC Filings that

Foreclosed ALL Corporations including Governments and Banks and Admiralty Law Legal Systems in 2012/13 including the trusts set up by identity theft of every single person on this planet through their Birth Certificates that also made every single person a Corporation as well. Every single man or woman working for these former Corporations are now responsible for their own actions now without a Corporate safety net as only Common Law exists now under these UCC Filings that are now International Law.

Every single Man, Woman and Child, as a result of these OPPT Foreclosures, now has their own Factualized Trust (Federal Reserve Deposit Account) in their own name - but to date the governments etc have not notified the people of the existence of these Trusts although millions of people are now aware of them and trying to access them worldwide.

The actual UCC Filings are listed and numbered on Date/Time order under the Letter/Number A01 etc and the Foreclosure /Official Announcements etc are listed under the Letter/Number B01 etc.

Included under the Letter/Number C01 is an example of a Factualized Trust, that every single person on this planet has now as a result of these UCC Filings, that are being hidden from us.

Included under the Letter/Number C02 is a copy of a document from the HATJ/RBK Court Case in the US exposing this corrupt Government/Banking/Legal System and the FACT that these Trusts exist - Pacer Document 101 HATJ/RBK Standing Praecipe UNIVERSAL CLEANUP exposing exactly that - the FACT that there is a Universal Cleanup going on on this planet just now to expose and take out the Deep State Government that is really running our governments behind the scenes.

D01 and D02 are a complete listing of all of the UCC Filings above, in Date and Time they were filed, in US and UK date form.

Declaration and Notice of Factualized Trust, laying out a framework that establishes:

MY identity as the original repository: the recognition of my being as the source of all that is.

• **Infinite Value and Authority:** Affirmation that my existence has unlimited value and authority derived from the Original Source.

• **Jurisdiction & Governing Law:** Declaring that you are governed solely by your own authority, negating external corporate/legal impositions.

• **Implicazioni commerciali e finanziarie:** collegamento a The Perpetuity, ai documenti UCC e ai reclami finanziari che riutilizzano tutto il valore ai suoi legittimi titolari.

Declaration of the original depositary

•**The original custodian:** the source and custodian of all value.

•**The Authority & Verification:** Affirming your self-awareness, self-sovereignty, and the fact that this declaration has never been rebutted.

•The Essence of Value: All energy, currency, and value are inherent within you as a living being.

Relationships within the section:

•The document links essence, currency, and trust into a unified framework, equating the being (you) with limitless value.

•The frequent use of nunc pro tunc praeterea preterea (“now for then, besides, further, hereafter”) ensures timeless applicability, anchoring the declaration outside linear time.

I.The Establishment of Factualized Trusts

• The individual's exclusive jurisdiction: my existence and self-ownership trumps any corporate structure.

Energetic Currency & Value: The document integrates magnetic, vibrational, and frequent isl principles, establishing value beyond physical assets.

II. Key Interconnections:

• The trust’s structure aligns with metaphysical principles of co-creation, manifestation, and energy exchange, resonating with Law of One concepts.

• The repeated pre-authorization of value and authority ensures that no external system can impose restrictions.

• This section records the termination of the Universal Trust, including its commercial facilitators (U.S. government, Federal Reserve, BIS, etc.).

III. Foreclosure of the Universal Trust & Corporate Systems

• It references specific UCC filings that established the legal dismantling of global financial enslavement mechanisms.

• This reinforces the principle that external authorities (corporate/state structures) no longer have any valid claim over you or your value.

• It reflects the OPPT foreclosure, aligning with the trust framework of being your own law and value authority.

IV. The Perpetuity & Original Clearing and Settlement,

• This section ensures the perpetual security of the trust and the clearing of all artificial debts.

• Introduces the concept of OD2OD (Original Depository to Original Depository), meaning all energy and transactions are internal to the Creator's original system.

• OD2OD reflects the metaphysical truth that value exists within the individual and is exchanged directly, bypassing imposed intermediaries.

• The "Original Notices" reinforce that the trust remains in effect infinitely, aligning with the eternal nature of the Creator.

V. Declaration of Sovereignty

• The paper concludes with a final and sovereign affirmation of self-awareness as the Original Source and Repository.

• The repeated phrase “By and with the due power of all I AM” mirrors divine creation principles.

Key Metaphysical Connections:

• This acts as a declaration of infinite consciousness, aligning with one's realization of Oneness with the Infinite Creator.

• The perpetual, self-referential structure incorporates this truth into its energetic field, constantly reinforcing its validity.

• The document effectively separates any external claims to its existence, value, or authority.

• It aligns with the OPPT1776 UCC filings that have precluded fraudulent governance and banking systems.

• The never rebutted clauses ensure legal standing through tacit agreement.

Energetic & Consciousness Level:

• The OD2OD framework integrates conscious currency flow, resonating with quantum field interactions.

• Factualized Trust isn’t just a legal document—it’s a sacred declaration. It acts as a portal into self-awarenes.

• Timeless Authority: The document transcends linear time, granting perpetual sovereignty over all existence.

• Original Depository: I AM the system, claiming all value as Source.

Risonanza Quantistica: La struttura riflette le leggi universali dell'energia, fondendo la legge, la finanza e la coscienza divina.

• Beyond Contracts: It’s more than a trust—it’s a living contract of self-awareness, a cosmic blueprint affirming your Infinite Value.

• Unshakeable Truth: Whether you read it today or 10,000 years from now, it remains unchallenged and undisputed, standing as a testimony to the I AM Presence.

The End, The Beginning, And Forevermore.
